WORK EXPERIENCE

Loyola Marymount University

Los Angeles, CA

Orientation Leader

July 2024 - Present

- Led 45 incoming students from diverse backgrounds while maintaining inclusive communication, conflict resolution, and cultural awareness
- Co-developed and delivered a Microsoft PowerPoint presentation highlighting key university resources, belonging initiatives, and student support systems

Lionsgate

Santa Monica, CA

Inclusive Content & Strategy Intern

June 2026 - August 2026

- Analyzed 6 industry insight reports and synthesized market trends and consumer insights into tangible business takeaways distributed to executives across the Motion Picture Group
- Interviewed 7 stakeholders across departments to evaluate audience segmentation, identify gaps in marketing strategy, and develop opportunities to enhance multicultural audience engagement
- Synthesized 3 film marketing campaigns, stakeholder interviews, and cultural trends into 6 key findings and 4 strategic recommendations in a cumulative final presentation deck

UCI Center for Population, Inequality, and Policy

Irvine, CA

NextGenPop Research Fellow

June 2025 - May 2026

- Analyzed demographic and sociological real-world datasets across 11 demographic domains and 6 contextual variables in RStudio in a competitive, research-intensive program
- Developed an independent quantitative research project using a large-scale empirical dataset, applying statistical methods and translating trends into relevant insights

Loyola Marymount University

Los Angeles, CA

Research Assistant - Department of Sociology

January 2024 - December 2025

- Analyzed and hand-coded 30 in-depth interviews using qualitative research methods, examining Latinx immigrants' perceptions of aging in Los Angeles
 - Organized 26 demographic variables in Microsoft Excel to identify data trends and inform research on how natural disasters exacerbate inequalities
 - Synthesized research findings into 3 reports and presented insights to inform future publication
-

LEADERSHIP

Latinx Student Union at Loyola Marymount University

Los Angeles, CA

President

June 2025 - Present

- Led a 12-member executive board in project management and delegation, ensuring the timely execution of multiple initiatives
 - Increased social media engagement by over 40% year-over-year through performance tracking and data-driven marketing strategies, boosting membership and brand awareness
 - Managed a \$2,700 organizational budget, allocating resources across events through financial planning and expenditure tracking
-
